

STOLEN

Our black cocker spaniel Archie was stolen from a car in Ticehurst, East Sussex on 11 December.

We are offering a substantial reward – far greater than his market value.

There will be no questions asked – we can arrange for anonymous drop off.

He is micro-chipped and the inside of his left ear is tattooed with TC2966.

His tail is docked and he is intact.

If you see him please please contact us.

Many thanks for your help
